Final Project Report

DEFORESTATION

Group -02

B.I.R.M.B.K.Indimagedara

IT 20 7616 46

Plot

- Another man also comes and opens the tap. But there is no water. So he looks toward his friend. Then both of them go to the jungle. Then they can see birds screaming. Two people look around the jungle carefully. But they couldn't find water. Suddenly one person falls down. Another one run towards him and sitting down and looks at him. The one who has fallen down already died. Then his friend started to cry.

Script

- EXT. THE WOODEN HOUSE – DAY

LONG SHOT. Another man is also trying to open the tap. But there is no water. Then he looks toward his friend.

- EXT. FOREST– DAY

LONG SHOT. That two people walking around the forest looking for water. Then they see only the left stumps of trees, cracked ground, dried ponds, and dead bodies of animals. There is no water anywhere.

- INT. THE WOODEN HOUSE – DAY

LONG SHOT. It shows a man is searching for water but doesn't find any water to drink and suddenly he falls to the ground, the other person comes to see what happened to the man and gets to know that the other person is dead already. He looks around the dead one. Then he stands and cry loudly.

Camera moment: - Pan

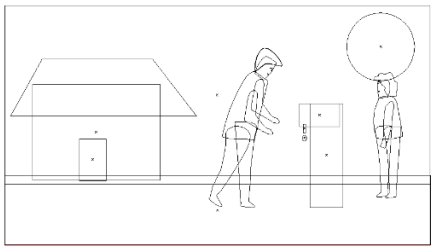
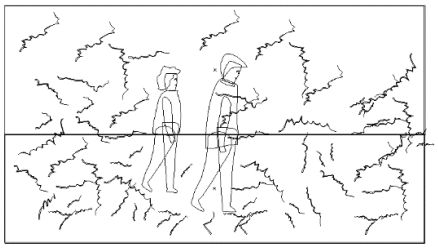
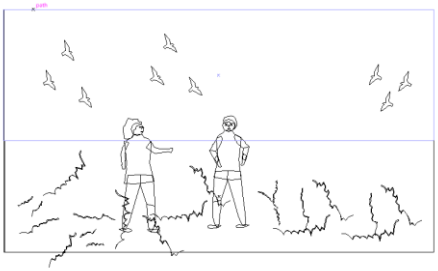
Description: - Then the other person comes to see what happened to the man and gets to know that the other person is dead already. Then he start to scream and cry loudly.

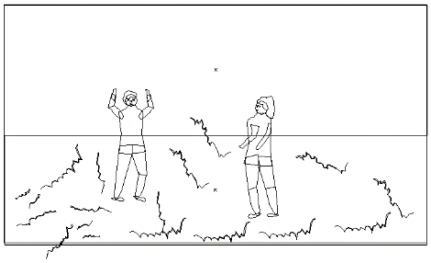
Sketches

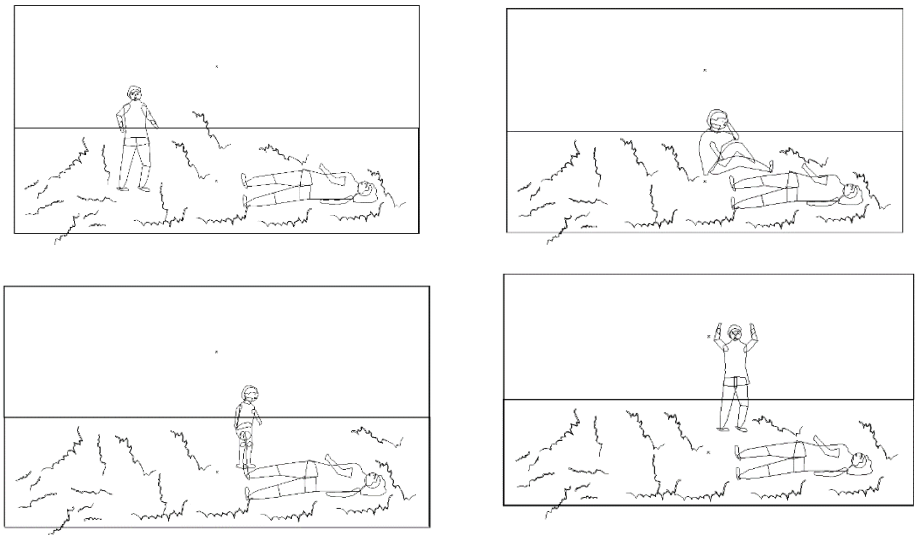
- These are the sketches of my animation.





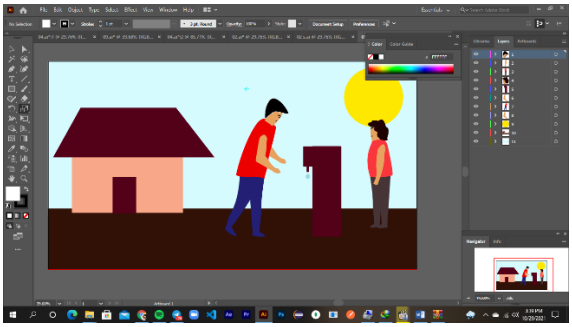


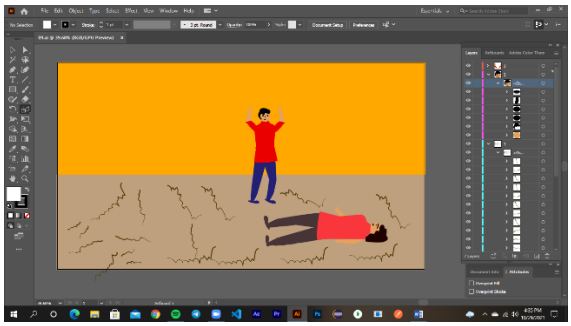


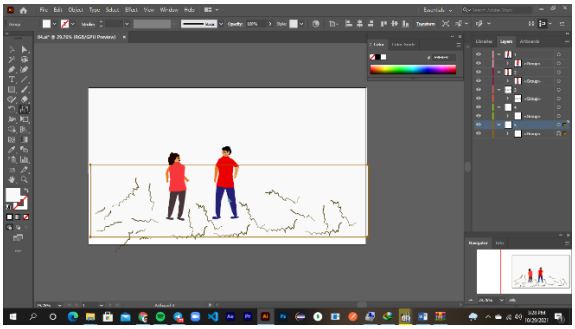


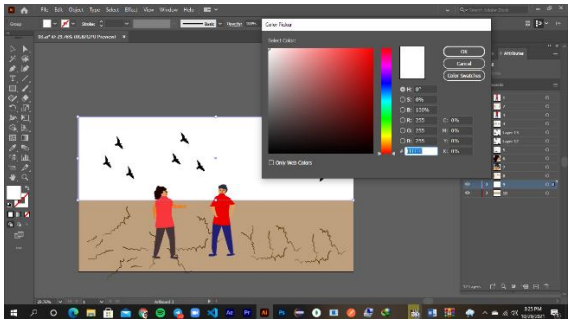
Illustrations

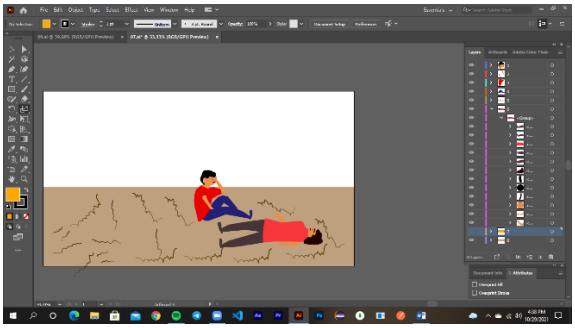
- Here I used Adobe Illustrator to draw the characters as well as the sceneries.

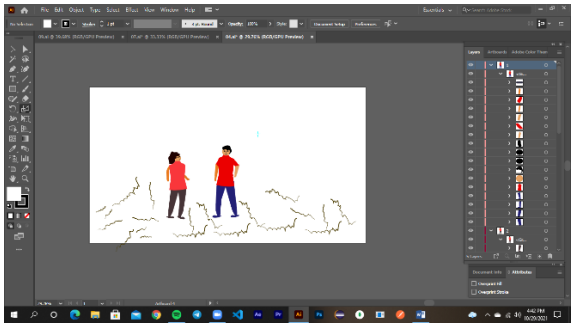












Behind the Scenes

- To animate the movie I used Adobe after effects, then finally I used Adobe Premiere pro to add sounds.
